This Picture Study Term Planner can be used to plan which resources will be used for the term’s picture study. Each term you will select a different artist to focus on, preferably one who lived and worked during the time period you are studying in History. Once the artist has been chosen, select six pictures to make particular study of this term. Choose pictures that range in subject and style; ones that tell a story; or capture the imagination. For more information on implementing this subject in your home school, please visit our article *Picture Study: An Overview* at www.charlottesmasonbeehive.com.
